EXPERIENCE

Art Studio Monitor, Undergraduate Campus Job

Sep 2023 - May 2025

Spelman College, Atlanta, GA

- Documented and maintained accurate arrival and departure logs of students working in the annex
- Verified the student classes for the ability to use the Art studio
- Evaluated situations for the safety of the students when handling dangerous or risky tools
- Notified supervisor and Campus safety when hazardous situations occur, with descriptive logs of situational management
- Educated students on proper use of art supplies and materials within the studio
- Collaborated with students to find specific professors for guidance on the use of hazardous materials and new processes
