## Profile

I'm Faizan Ahmed Khan, a St. Louis-based Assistant Director and Assistant Producer with a strong background in film, video, and digital content. Originally from Karachi, Pakistan, I've held key production roles at Tall Man Films, Spacer Media Group, and Aperturewood Films –gaining valuable experience in project management, team coordination, and creative execution. Since relocating to the U.S. in 2024, I've been working independently on a variety of commercial, branded, and narrative projects as an AD, Producer, Videographer, Editor, and Photographer. I bring a collaborative mindset, sharp organizational skills, and a passion for visual storytelling to every project I contribute to.

## Professional Experience

### Freelance

#### Assistant Director

May 2024 - Present

- Coordinated fast-paced commercial shoots as Assistant Director, ensuring tight schedule adherence, client alignment, and efficient crew management on set.
- Oversaw on-set operations and pre-production logistics as an Assistant Director, ensuring seamless coordination, scheduling, and communication across cast and crew.
- Managed daily production activities as Assistant Director, including scheduling, script breakdowns, and set coordination to ensure efficient and on-time shoots.
- Acted as key liaison between director and departments, coordinating cast and crew while maintaining order, timing, and creative alignment on set.
- Led pre-production planning with script breakdowns, shooting schedules, and call sheets to streamline shoot days and optimize crew performance.
- Resolved on-set issues swiftly as Assistant Director, ensuring minimal delays and maintaining production flow under pressure.
- Directed background performers and managed complex logistics for large-scale scenes, ensuring smooth execution and visual consistency.

**Freelance  
Assistant Producer**

May 2024 - Present

- Coordinated branded content and commercial productions by managing schedules, budgets, and client expectations, ensuring smooth delivery from pre-production to post.

**Tall Man Films  
Assistant Producer**

November 2022 - May 2024

- Oversaw production logistics, schedules, and team workflows to keep shoots on track and aligned with creative and operational goals.
- Assisted in budget management, scheduling, and pre-production planning to deliver efficient, on-budget film and media productions.
- Acted as a key production link between departments, facilitating communication, resolving issues, and ensuring cohesive team coordination throughout production.
- Contributed to the creative and operational execution of productions by balancing artistic goals with logistical and technical requirements.
- Supported narrative film productions with script breakdowns, budgeting, and scheduling, helping bring the director's vision to life through detailed logistical planning.

**Freelance  
Director**

July 2021 - Present

- Led creative direction for branded content and commercials, crafting engaging visual narratives while aligning with brand identity and marketing goals.
- Directed digital content projects, ensuring fast-paced, engaging visuals that resonate with online audiences while maintaining brand messaging and creative integrity.
- Directed corporate and commercial TV productions, ensuring clear communication of key messages through creative visuals and effective storytelling techniques.

**Spacer Media group  
Director**

November 2020 - July 2021

- Directed visually compelling narratives by interpreting scripts, shaping performance, and guiding the creative vision from concept to screen.
- Led the creative execution of commercial productions, combining strategic storytelling with high visual impact to meet client objectives and brand tone.
- Oversaw all technical aspects of production, including camera work, lighting, and post workflows, ensuring cinematic quality and narrative cohesion.
- Guided actors and on-screen talent to deliver nuanced performances aligned with the emotional tone and visual goals of each project.

**Aperturewood Films  
Assistant Director**

June 2019 - January 2020

- Oversaw on-set operations and pre-production logistics as an Assistant Director, ensuring seamless coordination, scheduling, and communication across cast and crew.

**SABAQ**

**Production Intern**

May 2018 - March 2019

- Supported the editing process by organizing and managing media, syncing audio, creating rough cuts, and assisting with color correction, graphics, and final deliverables.

**KopyKats Productions  
Set Manager (Internship)**

January 2018 - April 2018

- Coordinated rehearsals, managed stage crew, maintained the prompt book, called technical cues during performances, and ensured smooth backstage operations and safety.
